

## Lodges and Members of Georgia Elks Association

I want to encourage our Lodges and Members to prepare to provide assistance to our brothers and sisters impacted by the approaching storm Helene.

I am communicating with Larry Pope, President Elect, and Cliff Arden, Chairman Disaster Relief Committee to formulate a plan to provide needed items after the storm has passed.

Larry and Clif requested the following staples which are in short supplies.

Water

Toilet Paper

Paper Towels

Lodges- Activate your Disaster Relief Committee and reach out to your membership to participate in this effort.

Members- We cannot always do everything we would like to do, but we can do all we can.

Cliff, Larry and I are going to work on the transportation to the impacted areas. Once we know where to focus our efforts, we may be asking for volunteers to help get these items to those in need.

Fraternally

Dan Tatum

President GEA
