Grand Exalted Ruler 2025-2026

GER Bryan R. Klatt

Bryan Robert Klatt was born in DeKalb, Illinois on December 5 to Robert A. Klatt and Donnalee (Bettner) Klatt. He is the oldest of two children, with a younger brother, Mark A. Klatt (Layne). Bryan was raised in DeKalb and graduated from DeKalb High School in 1977.

Bryan graduated from Northern Illinois University in 1982 with a bachelor's degree in industrial arts. During his time in college, he was a five-year student equipment manager for the football team, which earned him a half-ride scholarship for all five years.

After college, Bryan worked with his father and brother at the former Kallal's Sheet Metal Inc. in his hometown. He was with the company for more than 25 years, first as an employee, then as a co-owner with his brother. Bryan is a past chairman of the City of DeKalb HVAC Mechanical board and a former member of the DeKalb Public Library board. He is a member of St. Mary Catholic Church in DeKalb and a Third Degree Knight of the Knights of Columbus Council No. 717, as well as a member of the Loyal Order of Moose Lodge No. 586.

During Bryan's senior year of high school, he was introduced to the former Susan Louise Ekstrom, to whom he has been married since October 1983. They have three children: Gregory Robert, Andrew Jordan, and Lucas Richard (BreeAnne).

When his boys attended and played sports at DeKalb High School, Bryan found a way to watch the action and save the school a little money. He volunteered to be the public address announcer, and stayed in the role for more than a quarter century. Bryan's voice could be heard at the school's football games, boys' and girls' basketball games, wrestling meets, baseball and softball games, and other events. He has also assisted Northern Illinois by announcing baseball, softball, gymnastics, football, and women's basketball. Bryan is a regular volunteer in his community in various school, civic, and athletic activities.

Bryan was initiated into DeKalb, Illinois Lodge No. 765 on November 12, 1985. He served on numerous committees before becoming Exalted Ruler in 1989-1990 and Lodge Secretary from 1998 to 2009. He is an Honorary Life Member and continues to serve the Lodge when needed to fulfill unexpired Officer terms or committees.

For the Illinois Elks Association, Bryan served as North Central District Vice President (1992- 1993); State Chaplain (1993-1994); State Americanism Committee Chairman (1993- 1994); Third (1994-1995), Second (1995-1996), and First (1996 1997) State Vice President; State President (1997-1998); Chairman of Advisory Committee (2000-2001); Chairman of Convention Committee (2002-2004); Co Chair of Leading Knight/Officer Training Seminars (1998-2008); Co-Chair of the LouGER Committee for then Endorsed Candidate for Grand Exalted Ruler F. Louis Sulsberger (2006-2008); and District Leader/Sponsor for the Northwest District No. 2680 since 1999.

Bryan has served the Benevolent and Protective Order of Elks of the United States of America as District Deputy Grand Exalted Ruler (1994-1995); as a member (2001-2008) and the Chairman (2005-2007) of the Grand Lodge Membership Committee; and as the Grand Secretary from July 2008 through July 2025. Bryan and Susan are humbled, thankful, and honored to be chosen as the ambassadors to represent our great Order as the Grand Exalted Ruler and First Lady of Elksdom. They are excited to travel to and visit Elks communities throughout America promoting their theme:

“Be the Difference”

Larry Pope
GEA President

Wow, the year is rapidly passing by, with about 5 months left in the state year and 3 months left in the lodge year. My hope is everyone had a joyous holiday season.

Our Georgia Elks Association Spring Meeting will be held in Macon, Georgia at the Macon Marriott City Center, located at 240 Coliseum Drive on February 27th and 28th. We are honored to have our Grand Exalted Ruler Bryan Klatt, and his wife Susan join us. It is also our pleasure to have Jeff Muehlfeld and accompanying him is Francisca Pouza.

We have seen some accomplishments in our membership of some lodges. As Georgia Elks, we must buckle down and work on membership and delinquents. As of this writing, we have 370 members that need to be contacted. Georgia stands at 8.1% delinquency rate vs the National average of 8.7%. This is a good thing, but we are in the middle of the pack (so to speak) Nationwide. As we strive for five, we must contact these members to encourage them to come back and be a part of our wonderful organization. I have seen all the remarkable things that our lodges across the state are doing. Exalted Rulers, Secretaries, Membership chairpersons, rally around these opportunities and let our delinquents know that their support helps to fund these activities, remember **Be the Difference**.

As of this writing, we have received \$187,500, and some pending, in ENF grant fundings to help support our communities and Veterans throughout the State. I want to congratulate each lodge who has worked diligently on grant applications. Please remember to send in your receipts and reports for each grant by your closure dates.

I encourage each lodge to support our ENF Golf outing to be held May 15th at Apple Mountain Golf Course in Clarksville, Georgia by supporting a team. A hole sponsorship cost will be \$600 for both. Please contact Brian Russell who is our State Chairman for ENF.

I ask our members across the state to please support our State Major Project Aidmore, the cost is \$8 a month. I want to applaud Dr. Vickie Hale and her staff, along with Stanley Santee, board of directors, and lodge Trustees, for their commitment and dedication to our state project. If you want to learn more about Elks Aidmore, please contact Stanley Santee or your local lodge Aidmore Trustee. Also, if you are ever in the Conyers area near Aidmore, please drop by Aidmore and visit the new GEA Museum. It will be well worth your time.

Joanne Bennett
President, Elks
Aidmore Auxiliary

Welcome 2026!

I hope everyone had a wonderful Christmas and a Happy New Year!

Christmas at Aidmore was a great success, made possible by the dedication and generosity of so many. Thank you to Aidmore Chair Pam Stewart for her strong leadership, and to Dr. Vickey Hale and her team for thoughtfully organizing engaging activities for the girls. Santa and his elf brought smiles and laughter as they entertained everyone, while the auxiliary members worked hard to decorate and support the event, making the space truly festive. A special thank you goes to Covington lodge for donating a beautiful new Christmas tree. This truly felt like the best Christmas yet at Aidmore, thanks to everyone's heartfelt contributions.

As we look ahead to 2026, it is important that we continue making progress in expanding our membership within the auxiliaries. Our members are the foundation of our organization, contributing to its success through their actions and dedication. The vitality of our group depends on the enthusiasm and ideas that each member brings.

To strengthen our organization even further, let's set a collective goal for the year: each auxiliary will strive to welcome at least five potential new members every quarter. By consistently focusing on growth, we can ensure that our organization remains dynamic and continues to thrive. Let us all challenge ourselves to invite others to join, share the benefits of membership, and build a stronger community together.

I look forward to seeing you in Macon at the Spring Quarterly Feb 27th and 28th.

Sincerely,
Joanne Bennett
Auxiliary President

I would like to thank each and every one of you for your heartfelt support through cards, visits, calls, and prayers after my wife, Linda's passing. It has meant so much to me, brought comfort, and showed that I am surrounded by love during this difficult time.

HAPPY 2026 to ALL! I hope everyone had a fantastic Holiday Season. How about one of your New Years Resolutions is to finish the Lodge year strong? The Georgia Elks Association is tracking for another gain in membership this year. Our Order set a new benchmark by attaining FOUR years in a row of positive growth. This is an outstanding accomplishment. What is even more exciting, we are tracking for a FIFTH year in a row of membership gain. My special thanks to Steve Petrie, GEA Membership Chairman, and his team for leading this drive.

Our State President, Larry Pope, and his wife Ana, along with Special Deputy, Bruce Hayden and his wife, Lisa are guiding the membership and the Committees and Officers to a very successful Elks year. Please show your appreciation to everyone involved when the opportunity arises. All of us should **“Be Loud, Proud and Visible”** to be a vital part of the GEA. We need each of you to focus on how you can help improve our Association. Be a part of the momentum.

The GEA, as of this writing, ranks **8th** in the Elks National Foundation per capita with **\$11.76** per member. Let's finish the year in the top five! You will determine the end results. Our membership is adding new members on a regular basis. However, we have approximately 400 members who have not renewed their membership. Ask your Lodge for a list and give those you know a friendly reminder that we miss them and the GEA counts on their membership to continue our good work.

Mark your calendars and make your plans to join everyone at our Convention in Macon to welcome and meet our Grand Exalted Ruler, Bryan Klatt, and Elks First Lady, wife Sue. Many of you may know Bryan as he served as the Grand Secretary, COO, of our Order for almost 18 years. Come, visit, and enjoy his message and their company. They are not only very nice people, they represent your Order with dignity and respect.

Sandra and I look forward to visiting each of you in Macon. Thank you for your membership to help others. GOD Bless each of us and our families, GOD Bless our United States of America!!

As we head into that time of the year to nominate & elect officers for your Lodge, I urge you to pay close attention and be present to elect those duly qualified to run the affairs of your Lodge. The elected Officers of your Lodge are the ones who manage the day to day affairs of your Lodge. This includes the business side of being a Lodge, paying the bills, making sure revenue is coming in, managing any employees and seeing that ALL aspects of your Lodge is profitable.

As a reminder it is a REQUIREMENT for the Exalted Ruler to attend the Grand Lodge Session, all DDGER Clinics, Officer Training Academy, all State Association meetings and of course be the individual running your Lodge meetings every month. It is also a requirement of the Leading Knight, Secretary and Board Chairman to attend the DDGER Clinics as well as the Officer Training Academy. ALL Officers are required to attend ALL Lodge meetings and ALL Board of Director meetings at the Lodge. You cannot just put a body in a chair that does not fulfill these obligations as they must be diligent in the success and growth of your Lodge.

With the changing of the guard, it is also time to clean up the small things like taxes, business licenses, bingo licenses, and liquor licenses. These things need to be followed up on to ensure your Lodge is legal to operate. It is also time to look at your Lodge & Club Bylaws to ensure they are current & correct. Ask for a Committee list of the Lodge committees to make sure that they are filled and see if you have an interest in helping with the committees. Become a part of a committee and be active in your Lodge. Your Lodge is only as good as you can make it, be a part of it and enjoy the benefits of being an Elk!

I would also like to take this time to THANK YOU for the calls, messages and cards in the passing of my brother. This goes to show me that being an Elk is more than carrying a membership card, it is a way of life, it is being with people who care and most of all it shows that we as Elks love one another.

As our State Sponsor's motto says, BE LOUD, PROUD AND VISIBLE!!!!

News From Aidmore

**Message from
Aidmore CEO
Dr. Vickey Hale**

Greetings,

As we step into a new year, I do so with a deep sense of gratitude, reflection, and renewed hope. At Elks Aidmore, our mission remains steadfast—to transform lives, one child at a time. As CEO, it is both a privilege and a blessing to witness the resilience, courage, and growth of the children, youth and young adults we serve each day. Every milestone reached and every life impacted—no matter how small it may seem—stands as a powerful reminder of what compassion, commitment, and community can accomplish together.

Over the past year, Elks Aidmore has continued to stand in the gap for children in foster care, offering safe spaces where healing can begin and hope can take root. Through the dedication of our staff and the unwavering support of our partners and supporters, we have provided more than care—we have provided stability, opportunity, and a pathway toward brighter futures. Together, we are not just meeting needs; we are opening doors and creating possibilities.

I extend a heartfelt thank you to the Elks Aidmore Auxiliaries, Elks Lodges, Aidmore staff, and our countless community supporters who made this past Christmas season a truly phenomenal experience for the children, youth and young adults in our care. Your generosity and love were felt in every smile, every gift, and every moment of joy shared.

As we move forward in this year, we are energized by what lies ahead. While challenges remain, our resolve is stronger than ever. In the year ahead, Elks Aidmore will continue to expand programs, strengthen services, and pursue innovative approaches to meet the evolving needs of the children and families we serve. Our commitment is unwavering—to ensure that every child who walks through our doors feels seen, valued, supported, and empowered to reach their full potential.

The work of transforming lives is never done alone. It is made possible through partnership—between our staff, volunteers, donors, advocates, and the broader community. Your belief in our mission and your continued support fuel everything we do, and for that, we are profoundly grateful.

As we embrace the opportunities ahead, I invite you to continue walking alongside us. Whether through volunteering, advocacy, or giving, your involvement truly makes a difference. Together, we are building a legacy of hope, healing, and transformation—one child, one day at a time.

Wishing you and your loved ones a year filled with hope, purpose, and possibility.

With gratitude and hope,

Dr. Vickey Hale

Christmas at Aidmore (more photos on page 29)

Christmas at Aidmore was a truly special time, filled with warmth and holiday spirit that brought everyone closer together. The highlight of the celebration was undoubtedly the heartwarming performances by the girls, who graced the gathering with drums, songs, and skits that showcased their talents. Their joyful participation brought smiles to every face and created a sense of shared community and belonging among all the residents and staff. The appearance of Santa and his little elf, Evie, was especially enjoyed by everyone. The experience of seeing everyone gathered, sharing in the simple yet profound magic of the season, underscored the loving and supportive environment at Aidmore and created memories that resonated long after the program ended.

Aidmore Golf Fore Kids

The annual Aidmore Golf Fore Kids Tournament, a charitable event organized by Elks Aidmore and the Georgia Elks Association, was a day of community and fundraising. Held at the Creek Golf Course, the tournament successfully brought together participants for a good cause. Among the highlights was a ball drop, adding a fun element of chance to the day's proceedings. Attendees also enjoyed a delicious meal, with the volunteer crew from the Lake Oconee Chuck Wagon diligently grilling hamburgers and hotdogs for all the golfers and guests. This combination of sport, fun activities, and community spirit made the event a success in supporting Aidmore's mission to help children in times of crisis.

There have been so many great things happening at Aidmore for all the kids in the Therapeutic Foster Care Program and also, right there on the Aidmore campus where a group of girls live full time. It is a beautiful campus with 3 cottages, a gymnasium and 3 administrative buildings. There is a learning resource center, which includes a computer lab, recreation room, swimming pool, pavilion, camping facilities, ropes course, and a lake for fishing and canoeing. Thank you to all of the golfers, volunteers and sponsors that came out to the Golf Fore Kids tournament! It is all about helping our Georgia children!

The New Georgia Elks Association Museum at Aidmore

**Bill Lewis, PSP
Historian**

The new Georgia Elks Association Museum at Aidmore officially opened on December 14, 2025 at the Aidmore Christmas Party held at Aidmore. The museum has hundreds of interesting items from lodges all over the state. Did you know that Georgia has had in the past, as many as 53 Elks Lodges across the state. We now have only 22. Numerous items have been donated over the years from various lodges that are now no longer in existence, plus items from some of the ones that are still active to include a few items from 1893. There are over 1000 articles that have been inventoried and displayed in the museum.

These are wonderful reminders about our storied past and some of the customs that took place from as early as 1902 and continued into the 1920s and 30s. Read about how some of the early initiations were conducted, the famous people that have been Elks throughout the years, and the opulence of some of the Elks Lodges themselves. Grand chandeliers, ballrooms and large expansive lodges were the norm at one time.

The museum is located at the main Aidmore administrative building at the top of the beautiful staircase. Come and visit and take a walk through the Georgia Elks Association's history. You may see items you recognize or people you know. If you see something that is not labeled and you know about the item, please contact me at: blewiselk2849@gmail.com

In the main room, a Time Line goes around the room, starting on the left inside the door. There are 53 lodges with dates of their charter, with donated items from their past.

In the GEA/GL rooms there are items from Warren Moyers (long time basketball state chairman) and info on our state's past GERS.

In the main room, there is a large plaque with ritual winners throughout the years, a large BPOE clock from the Newnan Lodge, and a history of the Griffin Lodge.

In the main room, there are many items from the Decatur Lodge and original Buckhead Lodge before it merged with Atlanta. Also items from East Point that eventually became Union City to Tyrone Lodge.

In the GEA/GL rooms items from Soccer and Drug Awareness plus youth activities that were popular at one time.

There is a cabinet filled with very old items to include a invitation to a barbecue at the Atlanta Lodge dated late 1800s before the lodge was actually chartered.
