

TO: All Exalted Rulers and Public Safety Officer Committee Chairpersons,

My fellow Elks, there are many heroes in Public Safety within our communities. Let us take the time to acknowledge them by participating in this process, which will let them know that the Georgia Elks Association supports their dedication and the personal sacrifices they make to serve our communities.

This award is an important recognition of our public safety personnel. On behalf of President Pope and myself, please make the application process one of your highest priorities.

Attached is the application form for the Public Safety Employee of the Year and Dedication of Service Award.

Applications are due by March 10, 2026. Please forward all completed forms to me by the due date.

I look forward to your participation in this noteworthy project. If you have any questions, please get in touch with me at 916-284-7374 or aanderson8584@gmail.com.

Fraternally yours,

Arthur Anderson

GEA Committee Chairperson
